

## PHOTOGRAPHY COLLECTION

### Summary

The materials in this collection were created by USCIS or one of its predecessor agencies. The physical collection is housed in one hundred (100) linear feet of shelving.

### Access and Use

Materials are housed in the USCIS History Office and Library and are non-circulating. Access is available during normal business hours; research appointments are preferred. Two hundred of the 9,000+ photos are available to view in the [library's online catalog](#). Copies of digitized photos can be requested by email: [cishistory.library@uscis.dhs.gov](mailto:cishistory.library@uscis.dhs.gov).

Captions on/about the photos may use terms that are now considered offensive.

Researchers are responsible for obtaining permission from the copyright holder for use in publication.

### Background Information

The collection has developed over time through donations from employees and agency offices. The collection features predecessor agencies, with much of the collection spanning the Immigration and Naturalization Service (INS) years. Topics include profiles on employees, exterior and interior pictures of offices and stations, day to day operations, award ceremonies and retirements, special programs, office equipment and technology, various vehicles used by the Service and customs and border protection activities.

### Scope and Content

Photographs, negatives, black and white, color, multiple sizes.

### Arrangement

The physical collection is arranged by subject. Newer donations to the collection are added in the order they were received.
