

POSTER COLLECTION

Summary

The materials in this collection were created by USCIS or one of its predecessor agencies. The collection is in English; however, a few posters are available in other languages. The collection is housed in ten (10) linear feet of shelving in the Preservation Room. There are a small number of posters that are digital format only.

Access and Use

Materials are housed in the USCIS History Office and Library and are non-circulating. Access is available during normal business hours; research appointments are preferred. Images of the posters are available digitally [using the library's online catalog](#).

When referencing the collection please use the following citation: [Number, Title, Date], Poster Collection. USCIS History Office and Library, Department of Homeland Security, Camp Springs, MD.

Background Information

The posters and maps in this collection were donated to library from individuals inside the agency. The collection spans the time of the Immigration and Naturalization Service as well as USCIS.

Scope and Content

Posters and maps that are unframed from 1948 to 2017.

Arrangement

The collection is arranged by acquisition date and is stored in preservation boxes.
