

VHS VIDEO COLLECTION

Summary

The materials in this collection were created by USCIS or one of its predecessor agencies. Most of the collection is in English. The collection is housed in forty (40) linear feet of shelving in the Preservation Room. The titles of some videos may use terms that are now considered offensive.

Access and Use

Materials are housed in the USCIS History Office and Library and are non-circulating. Access is available during normal business hours; research appointments are preferred. Videos are available to review by the public, except those marked **(IUO)** internal use only. Most of the collection is still on VHS tapes, although some content has been transferred to disc. A VCR is available for researcher use in the library.

When referencing the collection please use the following citation: [Video Number, Title], VHS Video Collection. USCIS History Office and Library, Department of Homeland Security, Camp Springs, MD.

Copyright for the commercially published films belong to the original copyright holder and researchers must comply with copyright law when citing and using this material.

Background Information

INS Public Affairs donated most of the news broadcasts and INS produced videos. Others were donated to or purchased by the library.

Scope and Content

News broadcasts from around the United States, agency produced videos, interviews, commercially published films. 1980s to the present.

Arrangement

The collection is arranged as the videos were received.

Contents
